

P1FCU

FEBRUARY 2024 | COMMUNITY DEVELOPMENT

SOUPport Our Shelters

SOUPport Our Shelters is the YWCA's largest fundraiser of the year. We were honored to support the event as a sponsor again this year. Three teams of P1FCU staff volunteers also helped deliver soup and hand-painted bowls to local businesses.

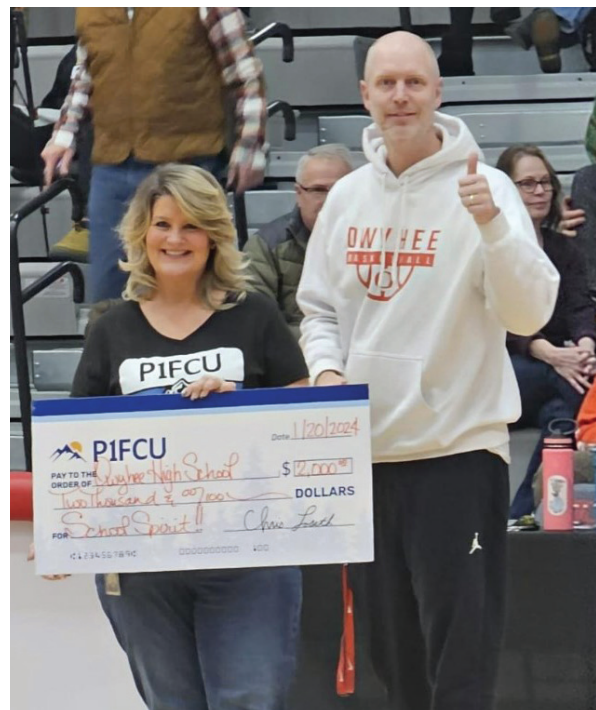

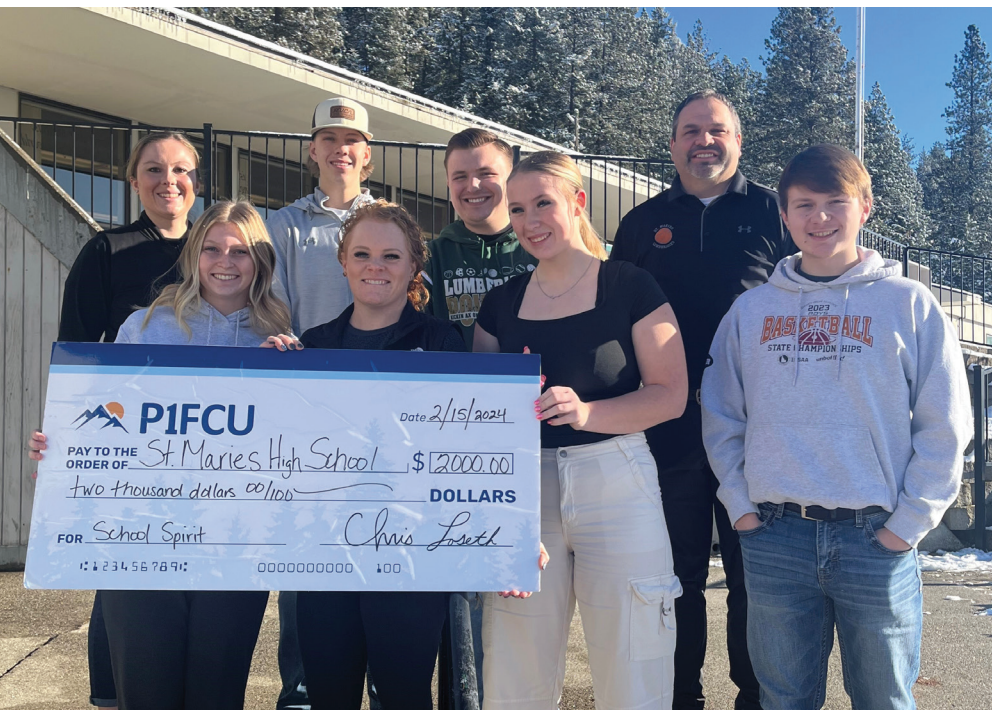

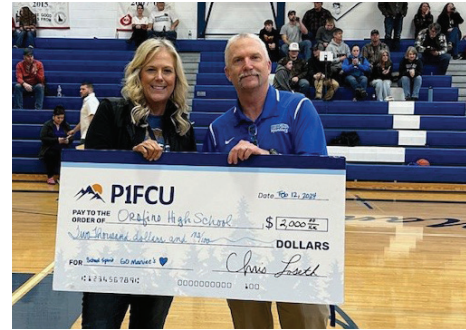

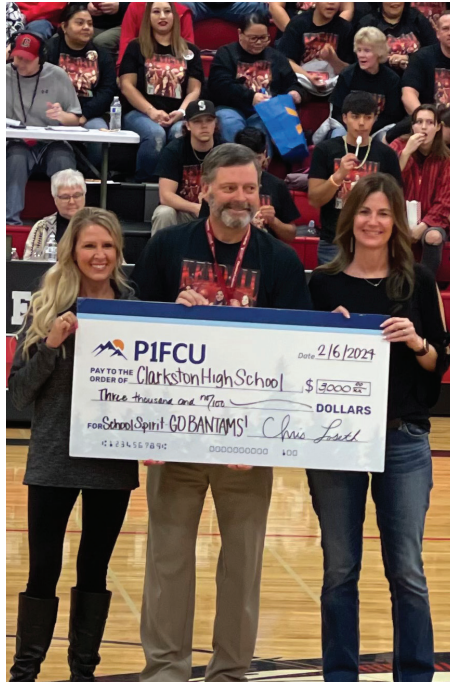

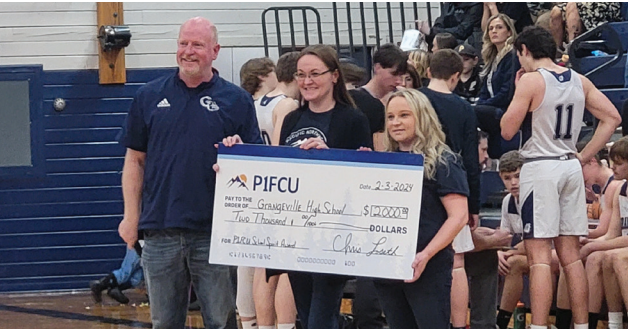

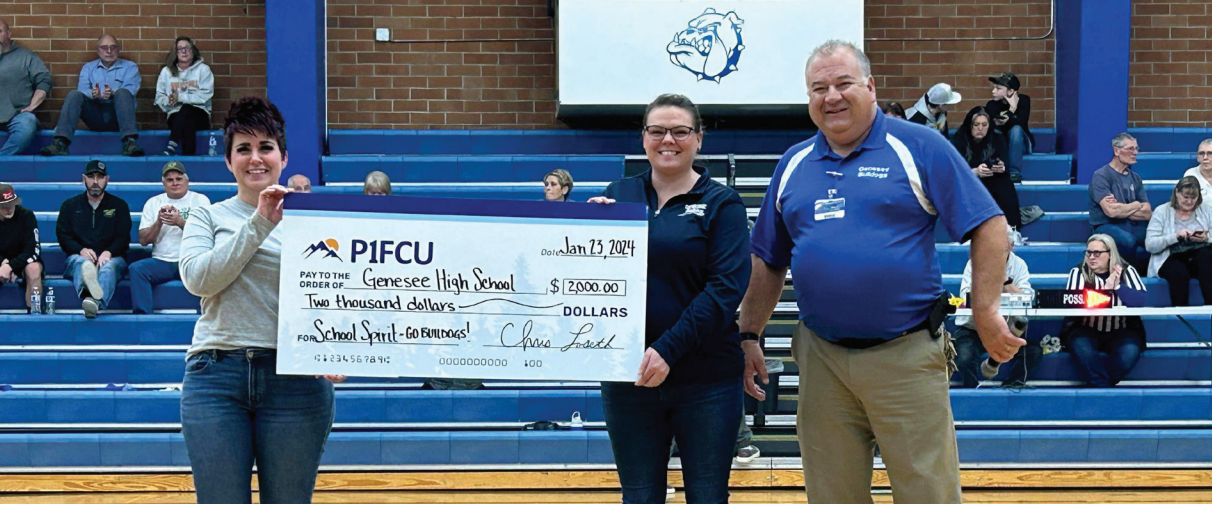

Stronger Together.

Community Commitment | February 2024

P1FCU School Spirit Program

Our School Spirit sponsorship program is designed to help fund high school athletic endeavors for the communities we serve.

Idaho Foodbank PIFCU Family Day

Our team and their family members had a great time at February's PIFCU Family Day at the Idaho Foodbank.

Walla Walla Fair and Frontier Days

Our team had a lot of fun at this year's Walla Walla Fair and Frontier Days Showcase event.

Mountain View Alternative Reality Fair

We had the honor of participating in “Bank Day” at Mountain View Alternative High School in Rathdrum. During this event, we collaborated on developing a set of essential questions for students to consider when choosing a financial institution. The format resembled a speed-dating session, with students rotating between tables to engage in brief discussions on various topics. Following these interactions, students returned to complete a sample application for the financial institution of their choice. As part of the experience, they will also be crafting a paper for their class, detailing the reasons behind their selection and the benefits they anticipate from opening an account.

Since the event, several students have visited the Rathdrum branch to either open a new account or expand their existing savings account by adding a checking account.

Vitalant Blood Drive

We held our first staff blood drive of 2024, which is our way of showing our commitment to community health and well-being. Our awesome team jumped on board, rolled up their sleeves, and had a blast while donating blood. It was all about coming together, being there for one another, and making a real impact.

Pullman Regional Hospital Foundation Gala

We attended the Pullman Regional Hospital Foundation Gala. It was a remarkable evening filled with generosity and commitment to enhancing the well-being on the Palouse.

Kindness Campaign

As part of this month's kindness campaign, our team dedicated time to volunteer at various non-profit organizations across our branch areas.

34th Annual Vandal Scholarship Fund Gala

Our Treasure Valley and Ontario teams took part in this year's Vandal Scholarship Fund Gala, which took place on February 23 in Boise. This event provides academic, social, and leadership opportunities for Vandal athletes.

U of I BEAMS Program

Our Community Development team is part of the University of Idaho's Better Education About Money for Students (BEAMS) Program. This program is a general financial education and coaching program that sets students up for financial success by providing financial knowledge and skills.

February New Hires

Our February new hires enjoyed their first opportunity to volunteer at the Idaho Foodbank in Lewiston.

LCAS Mardi Gras for the Paws

We got in on the fun by sponsoring, attending, and volunteering at the Lewis Clark Animal Shelter's Mardi Gras for the Paws. We had an awesome time supporting a great cause and helping out our furry friends!

LC State Basketball Night

As the official credit union of the LC Warriors, it's always fun to attend and show off our Warrior Pride! At this year's P1FCU Night, we sponsored the Teddy Bear Toss, which benefited CASA. We also gave away 100 tickets, passed out swag to attendees, tossed out water bottles, and enjoyed pizza while watching the games with P1FCU staff members and their families.

WWCC WBB Pink Night

On February 17, our Walla Walla team set up a booth at WWCC Women's Basketball Pink Night for Breast Cancer Awareness. It was a fantastic opportunity for us to engage with the Walla Walla community and show our support for the cause.

College of Idaho Sponsor Night

Our Nampa team had a great time at this year's P1FCU Night at the College of Idaho's basketball games. We shared information on our programs and gave away a prize package to one lucky fan.

Community Impact Program

Our Community Impact Program empowers team members to log their volunteer hours – for most nonprofit organizations and community events, not just those sponsored by P1FCU – and then earn rewards based on their participation hours.

Our top 2023 volunteer, Anne McRae, Colfax branch manager, had a total of 236.5 hours.

Grangeville Fireman's Ball

Our Grangeville team loves to volunteer at the Fireman's Ball every year. This event supports the White Bird and Grangeville Volunteer Fire Departments.

Lili GC Foundation

We had the opportunity to tour Lili GC Foundation's new location and learn more about their mission of supporting women and families who have been impacted by gynecological cancers.
