

PRESIDENT'S MESSAGE

Have you ever wanted to be a volunteer board member?

Chris Loseth
President & CEO

Volunteer credit union members play a vital role in the operation of our financial cooperative. Our credit union is a democratically controlled cooperative owned by our members.

The credit union difference of one member, one vote in the election process of our volunteer board of directors, and in directing the overall operation of your credit union keeps the credit union under the control of its membership.

Our not-for-profit financial cooperative has a 9-member volunteer board of directors, with board members being elected from our membership at our Annual Business Meeting. Our next Annual Business Meeting will be held at 6:00 pm, Thursday, January 23rd, 2025.

We will be electing three board members in 2025 for 3-year terms. Our board of directors meets the third Wednesday of each month for board

meetings, holds quarterly committee meetings, and have several training opportunities throughout the year. Board members participate in training to stay ahead of the ever-changing financial world.

Now is the time for members interested in serving on the Board of Directors and becoming part of our board election process to act. Potential board member candidates' names are forwarded to our Board Nominating Committee for their evaluation. If you would like to be considered for nomination as a board member candidate, please contact P1FCU in writing with a short biography no later than Friday, August 23rd, 2024.

We will conduct a pre-board

orientation session at 5:00 pm on Monday, September 16th, 2024, for those interested in becoming a board member to provide information about board duties, expectations, and responsibilities, which will help them decide if volunteering on our board is of interest. Participation in the pre-board orientation session is a mandatory requirement to be considered as a candidate by our board members who serve on the Nominating Committee.

Please address your letter to:

Nominating Committee Chair
Potlatch No.1 Financial Credit Union

or call me at 208-746-8900, extension 2101, or 800-843-7128 for further information. We encourage you to consider being a candidate for our volunteer board of directors.

Sincerely,

Chris Loseth

Congratulations to the Class of 2024!

This year, we had the pleasure of awarding twenty \$1,000 scholarships to high school graduates across the Northwest! We received over 100 applicants and had the challenge of selecting these recipients based not only on their performance in the classroom but also involvement with clubs, sports, and other school activities. We can't wait to see all the wonderful things our scholarship recipients accomplish going forward.
