JANUARY 2025 | COMMUNITY DEVELOPMENT

School Spirit Program

Our School Spirit sponsorship program is designed to help fund high school athletic endeavors for the communities we serve.

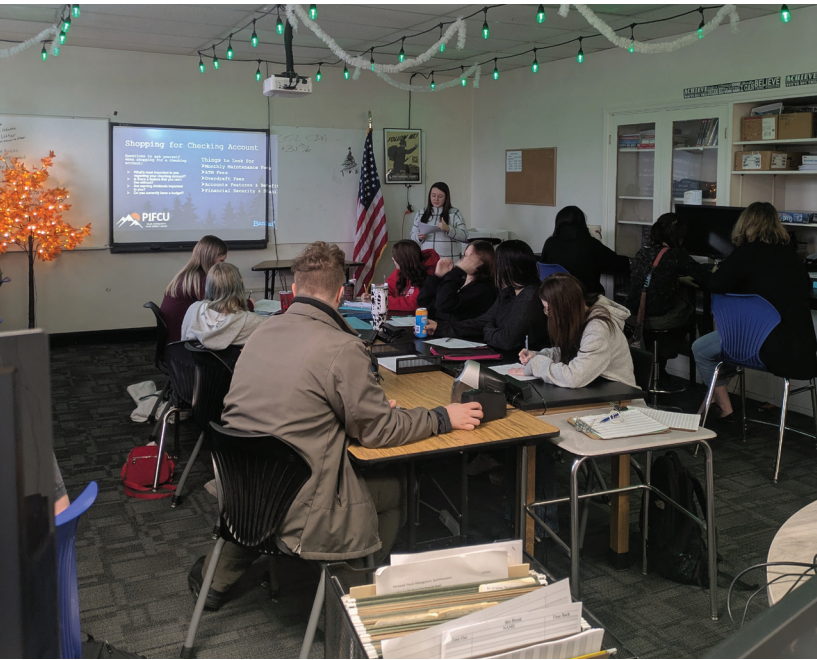

Stronger Together.

Community Commitment | January 2025

Financial Literacy in the Community

In January, our team actively promoted financial literacy through community engagement. We taught financial education classes at Mountain View Alternative High School and participated in the Idaho Foodbank's Cooking on a Budget Workshop, helping individuals develop essential budgeting skills. Additionally, we supported student learning by serving as a judge for Mountain View Alternative High School's Senior Class Projects on financial literacy, reinforcing the importance of financial education for young adults.

Supporting Community Fun at The Pond

Our team in Ponderay had a great time at the City of Ponderay's ice rink, The Pond. We're proud to support this fantastic community space and love seeing it bring people together for some winter fun!

Kindness Campaign

In January, we continued our community outreach by delivering much-needed items to the Washington State Department of Children's Services in Walla Walla and Newby-ginnings Veteran Services in Post Falls. It was great to support both children in need and local veterans, helping to fill gaps where we could make a difference.

Boys and Girls Clubs of the Lewis Clark Valley's Awards Event

PIFCU is the major sponsor of the Boys and Girls Clubs of the Lewis Clark Valley's Annual Dinner and Youth of the Year event. The Youth of the Year program promotes and celebrates service to the Club, community, family, academic performance, moral character, life goals, poise, and public speaking ability.

Walla Walla County Cattleman's Banquet

We attended and provided over 300 bottles of water for this year's Walla Walla County Cattleman's Association Annual Banquet.

Jackson's Pay It Forward Foundation Auction

We sponsored, attended, volunteered, and loved being part of this year's Jackson's Pay it Forward Foundation Auction! The JPIFF assists families who have children with serious illness or injury. They have provided over \$1.1 million in assistance to 224 families.

WAA Academic Awards Dinner

We attended and celebrated the achievements of LC State athletes who achieved academic excellence at the Warrior Athletic Association's Academic Awards event.

Freezing for a Cause: Supporting Make-A-Wish Idaho's Polar Plunge

We were proud to sponsor Make-A-Wish Idaho's Polar Plunge, where participants braved the freezing cold to help raise funds for life-changing wishes for children with critical illnesses.
