## Have you ever wanted to be a volunteer board member?

### PRESIDENT'S MESSAGE

**Chris Loeth**  
President & CEO

Volunteer credit union board members play a vital role in the operation of our financial cooperative. Our credit union is a democratically controlled cooperative owned by our members.

regular board meeting, quarterly committee meetings, and several training opportunities throughout the year that board members are encouraged to participate in to stay ahead of the ever-changing financial world.

Now is the time for members interested in serving on the board of directors and becoming part of our board election process to take action. Potential board member candidates' names are forwarded to our board nominating committee for their evaluation. If you would like to be considered for nomination as a board member candidate, please contact P1FCU in writing with a short biography no later than Friday, August 28th, 2020.

We will conduct a pre-board orientation session at 5:00 P.M. on Monday, September 14th, 2020, for those interested in becoming a board member to provide information about board duties,

expectations, and responsibilities, which will help them decide if volunteering on our board is of interest. Participation in the orientation session is a mandatory requirement to be considered as a candidate by our board members who serve on the nominating committee.

Please address your letter to:
