P1FCU Member Matters

Bringing Value to Members

PRESIDENT'S MESSAGE

Chris Loseth
President & CEO

P1FCU is busy as usual with our ongoing goal of improving the value we bring to our members' financial lives as we enter our 85th year of serving our membership. Literally starting from the trunk of a car with the credit union's assets in a cigar box in 1938, we have forged ahead year after year trying to improve how we serve our members in the manner they need and desire through our many products and services. We continue to improve and expand on the exceptional member service levels our members have enjoyed for many years.

We are putting in new initiatives with the goal outcome of increasing our member experience across all aspects of P1FCU's operations. Enhanced processes and procedures to make it easier for our members to conduct their everyday business with

P1FCU and bring added value to your membership.

WE ARE A MEMBER-DRIVEN CREDIT UNION, AND THE NEEDS OF OUR MEMBERS ARE THE CENTERPIECE OF THE PRODUCTS AND SERVICES WE PROVIDE, ALONG WITH THE WAY WE INCREASE OUR MEMBERS' EXPERIENCE ON A DAY-TO-DAY BASIS. OUR MEMBERS ARE THE FOCUS OF ALL WE WORK TO ACCOMPLISH EACH DAY.

We continue to expand our footprint across our main operational areas of Idaho, Washington, and Oregon. We are currently working on branch locations in Pullman, Meridian, Eagle, Nampa, and Garden City, with staggered openings over the next 18 months. There is work being conducted to identify additional locations in Eastern Washington along with Eastern Oregon. These expansions will continue to increase P1FCU's ability to better serve our field of membership across Idaho,

Washington, and Oregon and bring our services and products to the residents of many communities who have sought membership with P1FCU.

P1FCU appreciates our member feedback through our member surveys, and we take to heart the input we receive from our members. We are a member-driven credit union, and the needs of our members are the centerpiece of the products and services we provide, along with the way we increase our members' experience on a day-to-day basis. Our members are the focus of all we work to accomplish each day.

I want to thank our members for your continued loyalty and support of P1FCU through your membership. Our members have made us what we are today!

Sincerely,

Chris Loseth
President & CEO

Rewarding Member Experiences

Each year, credit unions are awarded Best of the Best designations based on the quality of service we provide you, our members! 2022 Awards were just released, and we're thrilled with the results. We received awards in four separate categories. We're thankful to each and every member who shared their experiences on one of our surveys. Our members deserve the best, and that is our goal each day
